**BEVERLEY
TOWN COUNCIL**
WORKING AS A COMMUNITY

Partnership/Strategic Grants Form

For applications up to £3,000 per year for three years (subject to annual review) and to establish a truly strategic and collaborative partnership.

Partnership/Strategic Grants are for formally constituted organisations which offer a long-term project or an annual event within Beverley. Where an applicant can demonstrate that it qualifies for this category of grant, the Town Council shall consider becoming a Partner, guaranteeing a specified annual grant for three years (subject to annual reviews).

Applications can be submitted at any time and will be considered at the next appropriate meeting.

Please answer all questions. Failure to do so may result in your application being ineligible.

SECTION 1: ABOUT YOUR ORGANISATION

SECTION 2: WHAT ARE YOU SEEKING FUNDING FOR?

SECTION 3: FINANCES

SECTION 4: BANK ACCOUNT DETAILS

SECTION 5: OTHER INFORMATION AND DECLARATIONS

SECTION 6: SUPPORTING DOCUMENTS AND CHECKLIST

Commented [MS1]: P&F to finalise name of this grant stream – Partnership, Strategic, Strategic Partnerships or something else....

Commented [MS2]: Preamble added (adapted from Grants Policy)

Commented [MS3]: Rather than an application deadline, is this how Councillors wish the funding stream to run?

Partnership/Strategic Grants Form

For applications up to £3,000 per year for three years (subject to annual review) and to establish a truly strategic and collaborative partnership.

D. Are you a subsidiary of a larger organisation? Yes No

If you selected “yes” tell us which one: Click or tap here to enter text.

E. Briefly describe the purpose and activities of your organisation (maximum 100 words).

Click or tap here to enter text.

F. Which of the following does your organisation have (select as appropriate)?

Constitution **Audited Accounts** **Non-audited Accounts**

DBS Checks **Health and Safety Policy** **Equal Opportunities Policy**

Insurance **Safeguarding Policy**

If you selected “insurance”, please tell us what sort of policies you have:

Click or tap here to enter text.

G. Your Current Finances

Do you have past annual accounts? Yes No

If you said “yes”, please complete the below details based on your most recent annual accounts. You will also need to submit your most recent accounts with this application.

If you said “no”, you are not eligible to apply for a Partnership/Strategic Grant under the terms of our Grants Policy, but you may apply for a Small or General Grant instead. (You can find the application forms on our website or by application to the Town Council offices.)

Commented [MS4]: If they do not have past annual accounts they are not established enough for a partnership/strategic grant so need to apply for a Small or General Grant.

Total Income	£ Click or tap here to enter text.
Less Total Expenditure	£ Click or tap here to enter text.
Surplus / Loss	£ Click or tap here to enter text.
Savings (cash, reserves, investments)	£ Click or tap here to enter text.

SECTION 2: WHAT ARE YOU SEEKING FUNDING FOR?

A. Describe the purpose for which you are seeking funding (maximum 250 words).

Click or tap here to enter text.

Commented [MS5]: The other grants ask for “project and/or activities” rather than “purpose” – this change emphasises the nature of the Partnership/Strategic Grants being for wider organisational support of ongoing project, events, etc. rather than one-off projects or purchases.

B. How your project will benefit the town of Beverley (you must select at least two options).

Contribute to cultural life, education, sporting opportunities or general wellbeing.

Promote economic and commercial viability of the town.

Support and contribute to the social life of the town.

Preserve the unique identity of the town and promote its heritage.

Create a socially inclusive and caring community, and increase dialogue among residents.

Protect and improve the town and promote a sustainable environment.

Provide a democratic, representational voice for the community.

Commented [MS6]: The other grants only require one option (although applicants can select more than one). As a Partnership/Strategic Grant is more significant, perhaps they should have to evidence a minimum of at least two benefit options.

C. How does your work fulfil the benefits you have selected above (maximum 250 words)?

Click or tap here to enter text.

Commented [MS7]: Changed from “this project will fulfil” to enable a wider response beyond a specific project.

Commented [MS8]: Increased number of words from 150 to 250, as we are actively asking them to select more than one option in B

D. How have you identified the need for the work you carry out (maximum 150 words)?

Click or tap here to enter text.

Commented [MS9]: Revised again, as with C, to reflect the wider nature.

E. How will you promote your work to the intended beneficiaries (maximum 150 words)?

Click or tap here to enter text.

Commented [MS10]: As with C and D above

F. How many people from the Parish of Beverley do you expect to benefit (choose an option from the drop-down box)? Choose an item.

G. Please provide us with examples of your past strategic partnership work (maximum 250 words)?

Click or tap here to enter text.

Commented [MS11]: Additional question to emphasise the strategic partnership side of this stream.

H. In addition to financial assistance, what other forms of support would you hope the Town Council can provide (maximum 200 words)?

Click or tap here to enter text.

Commented [MS12]: Additional question to enable organisations to explain what other forms of support the Town Council can provide. We could offer them options, but it might be just as useful to see what they come up with themselves. We want to make sure the applicants are really forward thinking on this aspect rather than just ticking options we give them.

I. If your application is successful, a member of the Town Council will be designated as an ambassador from our organisation to yours. How do you envisage them being involve (e.g. non-voting member of main committee, quarterly update chats, etc.) (maximum 100 words)?

Click or tap here to enter text.

Commented [MS13]: The Town Council wants these to be true partnerships without actually taking over.

DRAFT

SECTION 3: FINANCES

A. What is the total annual amount of funding you are applying for? Please remember this funding stream is for three years, subject to annual reviews.

Click or tap here to enter text.

Commented [MS14]: Changed from “What is the total cost of the project for which you are seeking funding?” to emphasise the fact this stream is for wider organisational support over three years.

B. How much funding are you seeking from Beverley Town Council?

Click or tap here to enter text.

Commented [MS15]: SUGGESTION: Remove this question altogether as it is only relevant for the Small and General Grants where the Town Council is financial supporting a specific thing, rather than general strategic costs.

C. Please provide a breakdown of costs and identify which aspects a Town Council Grant will support (if you need more space, please provide an additional sheet).

Please refer to Paragraph 11 of the Grants Policy for a list of items and/or activities for which the Town Council will not give grant funding.

Commented [MS16]: SUGGESTION: Remove this question – this is more relevant with Small and General Grants, where applicants are seeking funding for very specific items of one-off events. With the Partnership/Strategic Grants, as the funding in rolling (subject to annual reviews) the support is more the organisation in general rather than item specific.

Commented [MS17]: Re-lettered to reflect the suggested removal of A and B above.

Commented [MS18]: The word “funding” replaced by the word “income”, which is more suitable for a strategic application. This question is important as it helps to illustrate organisational sustainability.
