Councillor Pinder made the following statement to the meeting:

*"In the council's Policy and Finance committee meeting held on 19 October last year under agenda item 15 I made comments that went to the competence and professional standing of the former Internal Auditor, Public Sector Audit.*

*I have since been made aware that those statements were inaccurate and I withdraw them unequivocally.*

*Accordingly, I apologise to Public Sector Audit for those erroneous statements and wish the record to show that my comments in no way reflect the views of my fellow councillors or Beverley Town Council as a body".*

##### **116.2 Motion 1**

This Council notes with concern, the correspondence from Mr Richard Dixon, of Public Sector Audit, dated 28th October 2020 in which he resigned as the Council's internal auditor due to "incorrect and unfounded allegations" made against him by Cllr Pinder during the Full Council meeting of Beverley Town Council which took place on 19th October 2020.

This Council believes that Mr Dixon is an outstanding auditor with many decades professional experience in Local Government, with the Audit Commission and in private practice, with an impressive reputation and high ethical standards. These qualities led to this Council's decision to re-appoint Mr Dixon as the internal auditor on 19th October 2020.

This Council **resolves** to disassociate itself completely from comments made by Cllr Pinder at the Full Council meeting on 19th October in which Mr Dixon's reputation was impugned.

**Proposed:** Cllr D. Jack

Following discussion, Councillor Jack agreed to an amended Motion 1:

**Proposal:** Whilst this Council notes the statement by Councillor Pinder, This Council notes with concern, the correspondence from Mr Richard Dixon, of Public Sector Audit, dated 28th October 2020 in which he resigned as the Council's internal auditor due to "incorrect and unfounded allegations" made against him by Cllr Pinder during the Full Council meeting of Beverley Town Council which took place on 19th October 2020.

This Council believes that Mr Dixon is an outstanding auditor with many decades professional experience in Local Government, with the Audit Commission and in private practice, with an impressive reputation and high ethical standards. These qualities led to this Council's decision to re-appoint Mr Dixon as the internal auditor on 19th October 2020.

This Council **resolves** to disassociate itself completely from comments made by Cllr Pinder at the Full Council meeting on 19th October in which Mr Dixon's reputation was impugned.

**Proposed:** Councillor D Jack.                      **Seconded:** Councillor D Healy

**Resolved:** *That the proposal be approved.*

### 116.3 Motion 2

This Council further **resolves** as a consequence of the aforementioned, to refer Cllr Pinder to the Monitoring Officer of the East Riding of Yorkshire Council as a formal complaint for various breaches of the Member code of conduct, specifically but not exclusively:

**Section 2 (1)** "You must treat others with respect."

**Section 2 (2)** "You must not conduct yourself in a manner that could reasonably be regarded as bringing your office or authority into disrepute."

**Section 6** "You must not use or attempt to use your position as a Member improperly to confer on, or secure for yourself or any other person an advantage or disadvantage."

**Proposed:** Cllr D. Jack

Councillor Jack withdrew Motion 2.

The Council will write to the Internal Auditor to show appreciation and thanks for his work.

### 117/20: Finances

**117.1 Budget:** To set a budget and Local Precept Demand from East Riding of Yorkshire Council for the 2021/22 Financial Year (see attached). Please note the deadline for the Local Precept Demand to be submitted is Friday 15<sup>th</sup> January 2021.

Councillor L Johnson presented the proposed budget to the Council:

- Covid-19 has decimated much of the Council's plans for the current year and many projects and events have not happened which has led to an underspend. This has been taken into account in projected figures.
- Despite a drop in the tax base, the proposed budget including the precept request will result in a decrease of 4.29% (-£2.01) for a Bank D property. JPAG guidance, Internal Audit and Audit Yorkshire recommendations have been taken into account. Some reserves have been allocated to the budget next year and there are earmarked reserves.

- This prudent use of funds will enable this reduction and there will be ambitious projects such as – investing in the natural environment, increasing year-round planting, seating, Christmas Lights, Beverley Trail and lighting, a major project for Swinemoor to include an educational element, CCTV, the newly announced grants schemes, Beverley Town signs and planters, the Hanseatic league and twinning.
- Earmarked reserves include for a new premises, contingencies and events whenever these can be enjoyed once more.
- The allotments are popular with long waiting lists and will be self-sufficient rather than precepted for, as recommended by Audit Yorkshire.
- Officers were thanked for their time, commitment and embracing new technologies such as Zoom and financial systems.
- All Councillors had been invited to contribute to the budget on 7<sup>th</sup> December 2020.

Councillor M Pinder proposed, seconded by Councillor C Hopkins that in addition to a Civic Dinner for the current Mayor and the Awards Ceremony the Council should allocate £25,000 this year to a Covid Recovery Fund and £100,000 to use for future years.  
Voting took place and the motion failed.

Councillor C Hopkins proposed, seconded by Councillor C Wildey that the Council should allocate a further £50,000 to the Building earmarked reserve which would bring the total for that reserve to £400,000.  
Voting took place and the motion failed.

**Proposal:** That the Council approves the budget for 21/22 in the sum of £441,300 as put forward by Councillor L Johnson, unamended. The Council approves the precept for 21/22 in the sum of £272,894 as recommended (see budget on pages 108 to 111)

**Proposed:** Councillor L Johnson.      **Seconded:** Councillor D Healy

**Resolved:** *That the proposal be approved.*

**118/20: Planning Application**

To consider submitting comments regarding the following planning application:

- **Details:** [Erection of a petrol filling station and associated convenience store \(Sui Generis\), 2 drive thru units \(Class E\) and 6 industrial units \(Class E/B2/B8\) and associated infrastructure, 171 parking spaces and landscaping.](#)
- **Location:** Land North of East Riding Community Hospital, Swinemoor Lane, Beverley, HU17 0FA.
- **Planning Reference:** 20/03720/STPLF

**Motion:** Beverley Town Council notes with concern planning application number 20/03720/STPLF. This Council believes that this development will impact adversely, with yet further overdevelopment of Beverley. In particular there are already highways issues on Swinemoor Lane with considerable congestion at the busy Swinemoor/Hull Bridge roundabout and the complexly configured Swinemoor/Grovehill/Holmechurch roundabout. The proposed site also lies outside the development limit for Beverley. To summarise:

- This Council believes that this development is unsuitable for the location.
- This Council resolves to call this application in to the relevant planning committee to ensure a full and proper debate.

- This Council further resolves to recommend refusal for this planning application.

**Proposal:** That the Motion be accepted.

**Proposed:** Cllr P. Astell                      **Seconded:** Councillor L Johnson

**Resolved:** *That the proposal be approved.*

**119/20: Public Spaces Protection Orders**

For the Town Council to resolve potential comments regarding revisions to the Public Spaces Protection Orders for Beverley (see attached).

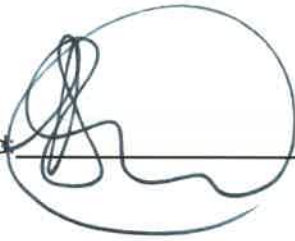

**Proposal:** The Council submits the comment that the gates at Sylvester Lane are locked again.

**Proposed:** Councillor P Astell                      **Seconded:** Councillor L Johnson

**Resolved:** *That the proposal be approved.*
