Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor report 2020/21

On 26 September 2021, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2021. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year's AGAR:

- Please note that Box 4 should comprise payments made in relation to the employment of staff including only gross salary, employers' national insurance contributions, employers' pension contributions, gratuities for employees or former employees and severance or terminations payments to employees. Employment expenses which are benefits (mileage, travel, etc.) and items of reimbursement of expenses for postage, stationery or other outlays made on behalf of the smaller authority are not staff costs for the purpose of completion of the AGAR in accordance with proper practice. The Joint Panel on Accountability and Governance Practitioners' Guide issued March 2020 requires staff costs to be classified in this way and for the prior year comparative figures to be restated on a consistent basis. Please restate Boxes 4 and 6 in next year's prior year comparatives if appropriate.

Other matters not affecting our opinion which we draw to the attention of the authority:

The smaller authority has confirmed that it has not complied with the governance assertions in Section 1, Boxes 2, 3, 4 and 5, but it has provided the appointed auditor with an adequate explanation for non-compliance and details of the actions necessary to address weaknesses identified.

In the completion of the Annual Internal Audit Report, and their detailed report, the internal auditor has drawn attention to significant weaknesses in relation to objectives B, C, D, G and M on the Annual Internal Audit Report. Weaknesses were identified in relation to non-compliance with financial regulations, budgeting and reserves, the budget process and risk management. The smaller authority must ensure that action is taken to address these areas of weakness in a timely manner.

We note that the Council's investment strategy does not appear to have been updated annually as is required by the statutory guidance on local government investments and we are drawing the Council's attention to this point in relation to the 2021/22 financial year. The Council should carefully consider its response to Assertions 1, 2 and 3 on the 2021/22 Annual Governance Statement as a result of this matter.

We received challenge correspondence in relation to the 2019/20 and 2020/21 AGARs which we considered before completing our work. The authority will receive an invoice in relation to this additional work.

External auditor certificate 2020/21

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.
