WORKING AS A COMMUNITY

BEVERLEY TOWN COUNCIL DOCUMENT RETENTION POLICY

INTRODUCTION

A record is any information held by the Council and relating to any topic, area of work, decision reached, action taken or individual and regardless of the medium in which it is held whether in paper or electronic format.

The Council recognises that:

- Records are a corporate resource and a valuable asset
- Information has to be confidentially stored and destroyed

S227(1) Local Government Act 1972 requires the Town Council to provide a proper repository for its records. The Act also allows for Parish Council records to be stored in a central repository operated by the District Council (The Treasure House). As such the Council accepts that it has a responsibility to ensure that records are:

- Created accurately
- Stored effectively
- Kept securely
- Traced efficiently
- Retained in their original form if required for the purpose of legal proceedings
- Retained only for as long as necessary disposed of appropriately

RESPONSIBILITY

The Town Clerk as Proper Officer of the Council is responsible for all records throughout their lifetime (from creation to disposal) and for implementing and monitoring compliance with this Policy.

POLICY STATEMENT

The Council's policy is:

- Information (hard copy and electronic) will be retained for at least the period specified in the below schedule
- All information must be reviewed before destruction to determine whether there are special factors that mean destruction should be delayed, such as potential litigation, complaints or grievances.
- Hard copy and electronically-held documents and information must be deleted at the end of the retention period.
- Hard copy documents and information must be disposed of in accordance with the below Record Disposal

RETENTION OF DOCUMENTS FOR LEGAL PURPOSES

Most legal proceedings are governed by 'the Limitation Acts'. The Acts (notably the Limitation Act 1980) state that legal claims may not be commenced after a specified period. The specified period varies, depending on the type of claim in question. The table below sets out the limitation periods for the different categories of claim. The reference to 'category' in the table refers to claims brought in respect of that category.

Category	Limitation Period
Negligence (and other 'Torts')	6 years
Defamation	1 year
Contract	6 years
Leases	12 years
Sums recoverable by statute	6 years
Personal Injury	3 years
To Recover Land	12 years
Rent	6 years
Breach of Trust	None

Cognisance must be taken on the duty of the Council and in particular its Proper Officer to retain certain information, for certain purposes and for certain periods of time.

RECORD MAINTENANCE

Given the limited space to keep such documents it is necessary to review the Council's Policy on retention of its records and documents. Set out below are the time periods that different types of business and employment records must be retained for. The retention periods are based on business needs and legal requirements. *In the absence of such guidance, it shall be the responsibility of the Town Clerk to determine a suitable retention period.*

RECORD DISPOSAL

The minimum volume of records consistent with effective and efficient operations should be retained. Unnecessary and duplicated records should be eliminated so saving storage costs as well as cost in terms of staff, time and equipment. Holding fewer records frees up both physical and computerised filing systems and makes valuable information easier to find. Greater use could be made of the Council's powers under S229 Local Government Act 1972 which allows for any requirement posed by statute on a Local Authority to keep a document is satisfied by keeping a photographic copy; interpreting this legislation in a modern day context, paper records could be scanned and electronically archived and the original disposed of.

Records designated as no longer required must be securely disposed of to preserve confidentiality.

Any records designated as no-longer required but considered to have historical significance shall be the subject of consultation with the County Archivist at the Treasure House and could be kept in an archival institution if expert guidance considers such action appropriate.

Under the FOI, it is a criminal offence to tamper with any file once a FOI request has been made. If any documents which would require disposal under the above guidelines is the subject of an FOI request, disposal must be delayed even if the request has been refused, until the information has been disclosed and all appeal times/procedures have been exhausted.

Approved and Adopted by Full Council on 20th February 2023
