Section 3 – External Auditor Report and Certificate 2021/22

In respect of **Beverley Town Council - HU0026**

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/> .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor report 2021/22

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

We are unable to complete our review work on the AGAR and supporting documentation as a result of correspondence received in relation to 2021/22 and/or prior years. Once we have finalised our review and completed any additional work arising from that correspondence, a final report will be provided with the certificate of completion detailing any qualifications and 'other' matters.

Our fee note for the limited assurance review will be issued when we certify completion.

Other matters not affecting our opinion which we draw to the attention of the authority:

Please see above.

3 External auditor certificate 2021/22

We do not certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022

We do not certify completion because:

We have received correspondence bringing information to our attention that we must consider before certifying the completion of our review and the discharging of our responsibilities.

Final External Auditor Report and Certificate 2021/22 in respect of Beverley Town Council HU0026

Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:

- summarises the accounting records for the year ended 31 March 2022; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

External auditor report 2021/22

On 27 September 2022, we issued a report detailing the results of our limited assurance review of Sections 1 and 2 of this authority's Annual Governance & Accountability Return for the year ended 31 March 2022. We explained that we were unable to certify completion of the review at that time. We are now in a position to certify completion of the review.

The external auditor report given in Section 3 of the Annual Governance & Accountability Return requires amendments as follows:

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

1. The smaller authority has not fully addressed the 'except for' matter raised by the external auditor when qualifying the prior year AGAR. We note that staff working from home allowance was correctly included within Box 6 in the current year; however, the prior year Boxes 4 and 6 figures were not restated for this.
2. The smaller authority has not addressed the 'other' matter raised by the external auditor in respect of the prior year AGAR. Although the investment strategy was updated in November 2022, we had reported the fact that it had not been updated during the 2021/22 financial year, as was required by the statutory guidance on local authority investments. The Council therefore should have considered amending its responses to Assertions 1, 2 and 3 on the 2021/22 Annual Governance Statement as a result of this. In our view, they should have been 'No'.
3. Section 1, Assertion 2 has been incorrectly completed, the correct response should have been 'No'. This is consistent with the Internal Auditor's response to Internal Control Objectives B and H in relation to non-compliance with financial regulations, and improvements required to the fixed asset register.

Other matters not affecting our opinion which we draw to the attention of the authority:

1. We received challenge correspondence in relation to the 2021/22 AGAR which we considered before completing our work. The authority will receive an invoice in relation to this additional work.
2. The smaller authority should ensure that the office based risk assessment is accurate, and errors within the document which have been discussed with the Clerk are corrected.
3. In the completion of the Annual Internal Audit Report, the internal auditor has drawn attention to significant weakness in relation to the fact that the Notice of conclusion of audit was not published on the authority's website by the dates specified in the Accounts and Audit Regulations 2015. The smaller authority correctly responded 'No' to Assertion 4.

External auditor certificate 2021/22

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance & Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2022.
